

Now available: Wilbers suspension for Ducati Hyperstrada (only tested factory-lowered version)

(Type B2 / B3; year of construction 2014 ->

ATTENTION: only the factory-lowered version was tested. This means that the following alternatives are available: 1. Standard seating height, 2. Factory lowered $\hat{=}$ standard height – 15 mm, 3. Factory lowering + lowering for 25 mm $\hat{=}$ standard height – 40 mm. The offered fork springs however will only fit the factory-lowered version.

The Wilbers suspension can forthwith be ordered in Nordhorn and has the following features:

Reliable and adjustable shock absorbers with the well known Wilbers technology:

Standard length of factory lowered version:

- | | | |
|--|-------------|-------------------|
| • Shock absorber | 640-1134-00 | € 499 |
| • Shock absorber | 641-1134-00 | € 699 |
| • Hydraulic preload | 625-0046-00 | € 199 |
| • Progressive fork springs | 600-0481-00 | € 99 the set |
| • 1 litre Wilbers fork oil viscosity W 2.5 | 610-0025-00 | € 19.90 per litre |

Lowering option of 25 mm – **for lowering you naturally need the respective fork springs including lowering valves:**
